Part 1 · 常考问题

1　What subject do you find the easiest at school? (Why?)

A　I think Art is the easiest subject for me. I don't need to remember lots of facts. I love drawing and being creative, so the lessons feel relaxing.

B　For me, PE is the easiest. I like moving my body and playing games with classmates. It's not difficult and I always have fun.

2　What kind of music do you listen to?

A　I mostly listen to pop music. It is upbeat and makes me feel happy. I usually listen to it on my way to school. Sometimes I also enjoy soft music when I want to relax.

B　I like gentle classical music best. It helps me calm down when I am busy with homework. I don't like really loud music.

3　What type of animals do you like?

A　I like cats the most. They are quiet and cute. They like to stay with you and they are easy to look after at home.

B　I love dolphins. They are very clever and friendly. I hope I can see them in the sea one day.

4　Do you like shopping? (Why?/Why not?)

A　Yes, I do. I enjoy shopping with my friends. We can look for new clothes and interesting things together. But I don't like shopping for a very long time.

B　Not really. Shopping is tiring for me. I prefer to stay at home reading books. If I need something, my parents can buy it online.

5　How often do you take photos? (Why?/Why not?)

A　I take photos about two or three times a week. I love taking photos of nice views and my friends. It helps me keep wonderful memories.

B　I don't take photos very often. I prefer just enjoying things with my eyes instead of taking pictures all the time.

6　Tell us about the kind of films you like.

A　I like adventure films best. The stories are exciting and full of surprises. The main characters are brave, and I always feel excited when I watch them.

B　I prefer funny comedy films. They make me laugh a lot when I feel stressed. I usually watch them with my family at weekends.

7　Where do you like to meet your friends?

A　I like meeting my friends in the city park. It's quiet and we can walk, chat or play games there. Sometimes we also meet in the library to study together.

B　I like meeting my friends at the shopping café. We can buy drinks and talk about our school life comfortably.

8 **Do you enjoy playing games on phones and computers?**

A Yes, I do, but only for a short time. Some online games are fun and I can play with my friends. However, I know I shouldn't play too much because it's bad for my eyes.

B No, not really. I think playing screen games is boring. I'd rather play ball games outside with my friends.

Part 2 · 备用问题

1 **Do you find maths easy at school? (Why?/Why not?)**

A Yes, I do. I like working with numbers. It is fun to solve difficult problems and I usually get good marks.

B No, I don't. Sometimes the problems are hard. I spend lots of time practising, but I still make mistakes.

2 **Do you listen to music? What do you listen to?**

A Yes, I listen to music every day. I love pop music best. It makes me feel relaxed after school.

B Not very often. When I listen, I choose soft classical music. It helps me focus on my homework.

3 **Do you like animals? Which ones?**

A Yes, I really like animals. My favourite are cats. They are lovely and quiet, and they are good pets.

B Yes, I do. I like dolphins. They are clever and friendly. I hope I can watch them one day.

4 **Is shopping fun?**

A Yes, it is fun when I go with my friends. We look at interesting things together. But I don't like shopping for hours.

B Not really for me. It is tiring. I prefer reading books at home.

5 **Do you like taking photos?**

A Yes, I love it. I take photos of my family and the places I visit. Every photo reminds me of a happy day.

B Not really. I would rather enjoy the moment than hold a phone all the time.
